

How to Access your Unit at Loc-Box Self Storage Corby

Princewood Road, Earlstrees Industrial Estate (North), Corby, Northamptonshire NN17 4AQ

- Proceed down the driveway until the site entrance
- On the right hand side are a series of key safes attached to a wooden post. Go to your allocated safe and open using your key safe code.
- Inside the key safe you will find the key to your unit together with a key fob.
- Adjacent to the wooden post is a green metal post, at the top of this post is an access sensor. Hold the key fob in front of the sensor and the gate will open.
- Proceed to your allocated unit, unlock the padlock beneath the metal shroud and open your unit.
- To exit the site hold the key fob to the exit sensor post and the gate will open. It will close automatically behind you.
