

How to Access your Loc-Box at Loc-Box Self Storage Northampton (Sixfields)

Sixfields, Ross Rd, Northampton NN5 5AX

- Access to Loc-Box Self Storage on Ross Road is via Edgar Mobbs Way
- At the end of the driveway on the right-hand side of our site entrance are a series of key safes. Go to your allocated safe and pull down the grey protective shield to reveal the combination codes.
- Type in your combination code from your booking email and squeeze the grey buttons either side of the key safe to open it.
- Inside the key safe you will find the padlock key for your individual Loc-Box together with a black key fob for the site gate.
- Hold the key fob in front of the sensor on the right-hand side of the gate and the gate will open.
- Proceed to your allocated Loc-Box. You will find the padlock beneath the metal shroud in the centre of the doors, unlocked. You may find this video useful:
<https://youtu.be/yeslQuXtJxA>
- To exit the site, hold the key fob to the exit sensor on the gate post and the gate will open. It will close automatically behind you.
- Please take your keys home with you and do not leave them in the key safe as it will be needed for the next customer.
