Walsgrave on Sowe, Olivier Way, Cross Point Business Park, Coventry, CV2 2SH

- Access to Loc-Box Self Storage is via Olivier Way, next to Tesco Extra, TenPin Coventry, Showcase Cinema and Pizza Hut.
- At the site entrance, on the left-hand side, you will find a series of key safes. Go to your allocated key safe and pull down the grey protective cover to reveal the combination lock.
- Enter the combination code provided in your booking email and squeeze the grey buttons on either side of the key safe to open it.
- Inside the key safe you will find the padlock key for your individual Loc-Box together with a black key fob for the site gate.
- Hold the key fob in front of the sensor on the right-hand side of the gate. The gate will then open automatically.
- Proceed to your allocated Loc-Box. You will find the padlock beneath the metal shroud in the centre of the doors, already unlocked. You may find this video helpful: <https://youtu.be/yeslQuXtJxA>
- To exit the site, hold the key fob against the exit sensor on the gate post. The gate will open and close automatically behind you.
- Please keep the keys and key fob with you throughout your rental period. Do not return them to the key safe. When you no longer require storage, simply let us know and we will provide instructions on how and where to return them.
